

FIELDCREST GARDEN SCHOOL 2014

Learn, Relax, Enjoy

Whether you're a complete beginner or an experienced gardener, there's something for everyone at Fieldcrest Garden this year. The beautiful setting and informal atmosphere will provide you with an inspiring and relaxing outing – and teach you something new as well!

Garden Design at Fieldcrest

Phillippa Probert **September 24th, 10.30–12.30**

Phillippa is a highly regarded Garden Designer. She will talk about the design process from start to finish, highlighting her work at Ness Gardens and her RHS Gardens. Includes lunch, booking essential!

Design Your Own Garden Course Starting September 2014

Our six session design course runs for one evening a fortnight starting in September. It will give you basic skills and knowledge to design or update your own garden. Check our website or call for details.

2014 Course List

Dates, times and prices overleaf...

Herbs, Veg & Flowers in Containers

No matter what size your garden is, we will show you how to choose and plant containers to grow a variety of plants for use and ornament. **10.15-14.15**

Propagation Workshop Covering the best methods of propagating plants at this time of year, including cuttings and seed sowing. with the opportunity to do some 'hands on' propagating **10.30-12.30**

Herb Day Herbs can be used for many purposes, culinary, medicinal and scent. We will show you the best herbs to have, where to grow them and how to cultivate and use them. **10.15-14.15**

Anyone for Tea? Flowers and herbs make refreshing and healthy teas (tisanes). We will show you the best plants to grow and discuss their properties. Everyone will pick and make some herbal tea. Homemade herby biscuits will be provided. **10.30-12.30**

Salads and Edible Flowers Everyone can grow a wide variety of salads and flowers, and summer is the time to make the most of them. Learn how to choose and grow the best summer produce. Lunch will be based on salad and flowers. **10.15-14.15**

Growing & arranging flowers With Joanne Massam. Looking at the best flowers and foliage to grow, covering preparation, colour combinations and "cut and come again" flowers. Everyone will pick and make a small arrangement. **10.15-14.15**

Birds, Bees and Butterflies Gardens are vital for helping preserve much of our wildlife. We will look at planting and providing for our garden visitors. **10.15-14.15**
